OLD HIGH SCHOOL DAYS

Come, lift high your voices
While each heart rejoices
And sing a song to Old Grenecastle High:
Of days spent together
In all sorts of weather,
Of sunny days, or rainy days, and dry.

Chorus—

Days, days, dear old days!
Days flitting — Oh, swiftly by!
How fondly we'll treasure
In mem'ry the pleasure
Old golden days at Old Greencastle High.

Senior Class History

1943-44

September 20

Dear Diary:

This was my first day of school in G. H. S. I was very excited, just like the other one hundred six "greenies." We were divided into three sections, with Mr. Conrad and Miss Morter as our home room teachers.

December 23

Excitement in the air! Today our class had a Christmas party in the main room. We exchanged gifts, sang songs, and happily wished everyone else a "Merry Christmas."

1944-45

September 5

Dear Diary:

Today found us ninety energetic sophomores, still holding the distinction of being the largest class in the high school.

December 22

Our Sophomore Glee Club took part in the Christmas program. Christmas parties were held in our home rooms, where we exchanged gifts, played games, and sang songs.

March 8

Happiness was turned to sorrow today, because of an accident which included eight of our classmates. Robert Faubel was killed instantly and Gladys Bitner, severely injured, died several days later.

1945-46

September 4

Dear Diary:

This was the first day of our junior year of high school life. How proud we were to be upper classmen!

September 14

Our class officers were elected today, also Verda Williams and James Barnhart were elected to the Student Council.

October 9

Today we decided to purchase class rings.

December 21

Christmas parties were held in our home rooms; we exchanged gifts, and enjoyed delicious refreshments.

January 25

A meeting was called today to select our class colors, flower, and motto.

February 28

Our junior class play, "Three Girls and Jeffrey," was decided upon today.

March 6

Pleasures as well as disappointments! We had try-outs for our class play today.

April 11-12

To pleased audiences, "Three Girls and Jeffrey was successfully presented, under the direction of Mrs. Toms.

1946-47

September 18

Dear Diary:

We elected our class officers, also Joanne Metcalf and Richard Myers to represent us on the student council.

September 26

One more highlight in our career—our class attended a court session in Chambersburg.

October 16-17-18

This week found the seniors busy having their pictures taken at Russell's.

November 1

Our most welcome class rings arrived today. You can imagine how happy and excited we were!

December 6-7

The seniors presented their last class play marked success with Mrs. Toms as our director.

December 23

A Christmas party was held in the gymnasium. Everyone had loads of fun.

May 16

To this day we had been looking forward—our last assembly program. With a twinge of sadness we conclude our four years at G. H. S.

CLASS SONG

(Tune: "Days of Youth)"

Hail to a class of G. H. S.!
Hail to our colors true!
Here's to the maroon and the white,
And every loyal classmate too.
"We build the ladder that we climb"
Onward through life we go,
While the memories of our school days
Abide in our hearts always.
To our girls, to our boys,
To our teachers so patient and kind to us,
To our school, to our class,
To the friendships always so dear to us,
Here's to all the happy hours,
That we have spent together,
With our banners floating for us
The class of Forty-Seven.

FAREWELL POEM

When we first entered this High School
Our hearts were filled with fear
Quite meekly we obeyed each rule
And hated school that year.

As Sophomores we grew quite bold
Played hooky any day
No longer fearful, as of old
We were loafers bold and gay.

As Juniors we important grew
Lessons were so seldom done
We tried to bluff the whole day through
So that we'd have time for fun.

The fourth year was fuller still
With our songs, our dance, our play
We all studied with a will,
Now near our graduation day.

With sadness now we bid adieu
Our parting is not glad
For, Greencastle, we've spent with you
The best years ever had.

Senior Class Prophecy

January 20, 1964

Dear Diary,

On my way from New York to the 1964 Publishers' Convention in San Francisco, I decided to stop in Greencastle, which is now a flourishing city under the leadership of its mayor, The Honorable James K. Brewer, and look up some of my old classmates.

Naturally, the first place I went for news was The Campus Retreat, owned and operated by Dick Gaddis. While Dick was telling me all about the success of Harold Henry's used car lot, Jalopy Junction, Bob Helmuth came in and asked if he could put up an election poster over the pinball machine. Helmuth is the new political boss of Greencastle, and he is working very hard to get Mary Ann Harsh elected president of the United States. Mary Ann, whose slogan is "Never Underestimate the Power of a Woman," divides her time betwen campaigning and hr husband, Professor Ivan R. Finfrock, the disitnguished scientist who recently discovered a method of making cigarettes from salt water and alfalfa. Her opponent, Honest Earl Leckron, is giving her a stiff fight, since he is able to get all the women's votes. His slogan is "Lighten Your Life With Leckron!"

As I left the Campus Retreat, who should come by in a brand new atomic convertible but Mamie ("Hot Stuff") Metcalf, who has just divorced her fourth hsuband, and is now being seen at Morter's Pool Parlor with Dick Myers, wealthy gentleman farmer. She stopped, and showed me the latest copy of "Peek," which had a picture of John Holbert on the cover. John has been the sensation of New York since he opened on Broadway in the musical comedy, "Love 'Em and Leave 'Em." According to the gossip columnists, he dates a different chorus girl every night, though he is supposed to be engaged to his leading lady.

Mamie took me out to get a look at the new city hospital, which is run by Frances Swisher and ex-Captain Janet Phillippy, who has recently resigned from the Naval Nurse Corps. Betty Lindsay took me through the children's division, which is supervised by her and Geraldine Buchanan, and I was really impressed. Just as we were leaving, John Koons, who is painting the addition to the Zullinger house (it seems that Joanne and Tom have decided they need a larger nursery), came rushing up the street. He said that he'd just heard on a news broadcast over his vest pocket radio that Charles Bert's super stratospheric rocket ship had finally landed on the moon after a three year voyage. We were all relieved to know that he and John Sharp, the official photographer, were safe, because the last message that had been received from him had said: "Food supply nearly exhausted. Sharp has gleam in his eye and is sharpening his knife." It's lucky John could control his appetite.

By this time it was getting late, so after fighting my way past the five o'clock rush at Binkley's Drug Store, I walked on down past Hoffman's Sports Arena and the Ziegler Dairy to the parking lot. Imagine my surprise when I saw John Bingaman polishing my car! He explained that he was doing it free to all the cars in town to get publicity for his new garage. While he finished the job, I dined at Cowan's Cafe, where the featured boogie-woogie singer was Betty Burke. Then I climbed in my car, stepped on the starter, and departed for the wide open spaces.

Senior Class Will

Dear Diary,

I have just received a copy of the 1947 class will.

At last, we the class of 1947 of Greencastle High School, Franklin County, State of Pennsylvania, are at the end of the road which leads in two directions. We have stopped to summon all of us to listen to the last will and testament of the said class, duly signed and witnessed by the said testators.

It is also to be distinctly understood that any one of the beneficiaries who finds disputes or in any way tries to change the items of this document will be cut off wholly and entirely from any of its provisions.

The disposal of our estate is as follows:

1. To the faculty we bequeath future classes with the "I'm not worried about anything" look.
2. We bequeath to the class of "48" our ability to make friends and get along with others.
3. To Joe Kline we bequeath Paul Meyers' ability to get along with girls.
4. All moldy textbooks to class of "48."
5. Our love or teachers and high standing to class of "48."
6. Crowded mirrors to future classes.
7. Cold chemistry lab to class of "48."
8. Lasting love affairs of Henry and Koons to Dick Brechbiel and Harold Lechron.
9. To George Dulebohn Holbert's acting ability.
10. Bert's ability to concentrate on one subject while doing another to Vilma Brown.
11. Kenney Oliver's driving ability to Harry Danzberger.
12. Verda Williams' meekness to Dorothy Swisher.
13. Finnie's seat in assembly when pictures are shown to Mr. Davison.
14. Morter's ability to shoot pool to Wayne Stenger.
15. Sharp's chemical brains to Mr. Weagley's future chemistry classes.
16. Dick Myers' height to Dave Fox.
17. Harold Henry's popularity (due to the Ford) to Ben Greathead.
18. Mary Ann's demureness to Phyllis Faust.
19. Helmuth's ability to drive a jeep to Tom Shook.
20. Jimmie Barnhart's laugh to Joan Bemisderfer.

We, the class of 1947, do set our hands and seal this, our last will and testament on the first day of March, nineteen hundred forty seven..

Junior Class History

Dear Diary,

September 5, 1944 - May 29, 1945

Eighty-eight of us ambitious Freshmen are trying to enjoy occasions like: Halloween and Christmas parties, baseball, soccer, and basketball games.

I am very confused and unexperienced with this new life, but before long I hope to become accustomed to the change.

The following people are leading my group through the year: President—Richard Cline, Vice President—Donald Hoover, Secretary—Betty Mae Kriner, Treasurer—Lloyd McDonald.

September 4, 1945 - May 28, 1946

After a short summer vacation I find myself climbing the same steps, but with a different feeling, as it is my first year of Senior High School.

My classmates have decreased to 76, but we are still noticed at most of the activities.

The ruling ones this year are: President—Richard Cline, Vice President—Lloyd McDonald, Secretary—Lois Greenawalt, Treasurer—Wayne Talhelm.

Can you imagine being an upper classman next year!

September 13

We had our first class meeting and elected class officers for the year. It was a good feeling to know that we were getting organized; but when looking over the room, I could see different members of the class who thought they might be nominated, putting their thumbs down, as if to say: Don't nominate me.

October 25

Today, at our meeting, we selected our hats and pennants. We had so many different styles to choose from, it had the girls a little undecided; but as for the boys, they just yelled, "The Crew Hat! The Crew Hat!" Result: The Crew Hat. The pennant we selected really is a lu-lu.

December 20

After a Christmas Party in each room with refreshments and entertainment, today started our Christmas Vacation which wil lend January 6. Thinking of this big vacation gives us the Christmas "Spirit."

February 26

Oh boy! the play decided on is "DOCTOR'S ORDERS," a three act comedy.

March 3

What a nervous bunch! Play try-outs today. Before the try-outs we worried as to whether or not we could be heard as well as seen, but afterwards we really knew what it was to have a worried mind when we had to live through an afternoon to find out "Who was Who" in "The Doctor's Orders." This could easily be determined by looking at the faces of the different kids; some lit up like Christmas trees, while the unfortunate ones had a look of utter dismay.

April 17 - 18

What a slapping success for the Juniors. Auditorium filled to capacity both nights. Best play we have ever put on!!

Sophomore Class History

September 3, 1946

Dear Diary,

Today eighty-three of us Sophomores climbed the steps of Greencastle High School to start our first year of senior high school. Our home rooms are One, Nine, and Ten.

September 13, 1946

Dear Diary,

We elected the officers to guide our class for the year.

November 15, 1946

Dear Diary,

Several members of our class, under the direction of Miss Rowland, presented a library play in assembly. The title of the play was "The Guilty Ones."

The Dramatic Club today presented for the assembly program a one-act comedy, "Are We Dressing?" The entire cast consisted of members of our class. We were certainly proud of our thespians! No we are looking forward to next year when we can do even bigger things.

April 3, 1946

Dear Diary,

The members of our A Section English class, under the guidance and direction of Mr. Whitmore, edited and published a school newspaper. Our first attempt was well received by the other classes, and we hope that this journalistic effort can be successfully continued as a school project.

Freshman Class History

September 3, 1946

Dear Diary,

Today eighty-six of us freshmen walked timidly up the steps to Main Room. There were given help by Mr. Conrad and Mr. Gingrich in filling out our class-study scheules.

October 31, 1946

Dear Diary,

We are not nearly so green now as we were two months ago. We have already become worthy members of G. H. S. in many respects. Tonight a goodly number of our group enjoyed themselves at the annual school Halloween Party.

December 23, 1946

Dear Diary,

Today we had an excellent party just prior to leaving for the Christmas vacation. We sang several Christmas carols after which gifts were exchanged. The refreshments, ice cream and pretzels, completed the program, and we joyfully left the building to return on January 2, 1947.

March 1, 1947

Dear Diary,

We still have eighty-four members in our organization, despite a few changes. Many of our members have become a real credit to the class, particularly in the field of athletics. Next year we hope to attain even greater triumphs in many more fields.

Eighth Grade History

Dear Diary, September 3, 1946

We entered another school year, our last year of junior high. With Mrs. Toms as our home room teacher, we are looking forward to an eventful year.

Dear Diary, February 14, 1947

February is here, and with it of course is Valentine's Day. A box was donated by Fred Smith and Wilton Fetterhoff and decorated by Jean Carpenter, Virginia Coldsmith, and Joyce Shimer. The box was amply filled with valentines for everyone.

Seventh Grade History

Dear Diary, September 3, 1946

We came back to school after our summer vacation. We were all glad to meet again since it had been some time since our last assembly together. We got acquainted with our teachers and received our schedule for the year. That is a big day in our lives for we are now high school students.

Dear Diary, November 17, 1946

Our class was very excited when we called our meeting to decide on a Christmas present for Mr. Kaley. We elected a committee and it went right to work in the coat room that same study period.

Senior Hi-Y

Dear Diary, September 6, 1946

We elected officers for the year. They are as follows: President, John Holbert; Vice President, Ivan Finfrock; Secretary, James Barnhart; Treasurer, John Sharp. A program committee was also appointed. The meeting was adjourned by the president.

Dear Diary, December 6, 1946

Our customary opening was used. After dues were paid, our hopes came true. The program committee had some "brain twisters" to ask each member. Some we answered and others which looked easy we could not answer. A small prize was given to the person who answered the most questions. The meeting was adjourned by the bell.

Senior Tri-Hi-Y

Dear Diary, September 27, 1946

We opened our first meeting of the Senior Tri-Hi-Y under the supervision of Miss Williams, by electing our officers. They are as follows: Mary Ann Harsh, President; Janet Phillippy, Vice President; Doris Hartman, Secretary; Louise Barkdoll, Treasurer.

Dear Diary, March 17, 1947

Tonight we held a St. Patrick's covered dish supper at the Citizens Bank Community Room. We had two very interesting speakers from Wilson College at our supper.

Future Homemakers of America

Dear Diary, October 3, 1946

At the first meeting of the F. H. A. one of the members of last year's club told us of about some of the things that the club did last year, so we discussed some of them and made some plans on what we are going to do for our year's work.

Dear Diary, January 8, 1947

Today we went to the Farm Show at Harrisburg. We also attended the F. H. A. meeting at the State Education Forum.

Dear Diary, March 14, 1947

Our Rummage Sale at the American Legion Room turned out very well, and we were inspired to have a Food Sale in the near future.

Future Farmers of America

Dear Diary, April 15, 1947

Another successful year for the Greencastle chapter of the Future Farmers of America is drawing to a close. One of our most successful activities was the tomato raising project, sponsored by the Greencastle Packing Co. Our president, Glenn Hykes, took first place and was awarded a cash prize of ten dollars and a wonderful three-day, expense-paid trip to New York City.

The Citizens National Bank sponsored a hog project for the club. This year Glenn Hykes won a second place with the club entry in the brood sow division at the Fulton County Fair.

Annual Halloween Party

Thursday, October 31, 1946

Dear Diary,

As I carefully dressed for a gala evening, I was filled with excitement. I took a quick glance in the mirror and was rather scared at the character that was staring me in the face.

When I opened the door of the gymnasium, I was filled with wonder. What a turnout! Some came in their pajamas, others as horrible looking hags, some wearing their formals and still others wearing street clothes.

I was handed a paper with Mutt written on it and was told to hunt Jeff as my partner for the "Grand March." I saw that every one had the same task. When we all had our partners we proceeded with the "Grand March." Here many of these strange characters won prizes.

We then tried our luck in some of the games. First I stepped on a pair of scales and found that I was about 100 pounds overweight. Next, by winning on the "Wheel of Fortune" I got a free trip to the moon. Also, the lucky people in playing "Bingo" had their fortunes told. (I took a peep at our fortune teller and found no other than Miss Phillippy).

We then formed a semi-circle and were entertained further by our barber shop quartette. This was formed by the melodious voices of John Holbert, John Hoffman, Richard Cline and Richard Brechbiel. Also for excitement we had a prize fight, which turned out to be a dirty one.

By this time everyone was ready for refreshments. Our food, which was really delicious, was supplied by Miss Oellig and her Jr. Home Ec. Girls. After everyone was finished eating, we danced. This made a wonderful conclusion to the party.

After doing a little inquiring I found out that the grand evening entertainment was planned by Mr. Gingrich and Mr. Weagly.

The Curtis Magazine Drive

Dear Diary, September 23, 1946

The annual magazine drive began today and we are all eager to test our ability in salesmanship.

Mr. W. J. Roberts from the Curtis Publishing Company opened the drive at a special assembly today. The school aim is $1500. The school is divided into the Red and Blue teams, and the winner is to receive ten pounds of candy. The home room having the highest percentage of sales is to be given an ice cream party. There will also be awards for the high salesmen. This is a real incentive to do our best for the next two weeks.

Ivan Finfrock is captain of the Blue team and John Holbert of the Red team. Mary Ann Harsh and Betty Mae Kriner are the business managers. The publicity managers are Doris Bowman and Charles Bert.

Dear Diary, October 7, 1946

The magazine drive ended today and the result was an attainment never before reached at G.H.S. We must have been pretty good salesmen, after all.

The total amount of money collected was $1774.25, of which $1109.27 was sent to Curtis; the School's commission was $664.98. This money will be used for the athletic association, the library, visual education, and recreation.

Soccer

Dear Diary, September 14, 1946

Two weeks of school have passed. I visited soccer practice tonight and found a group of husky, peppy trainees ready to get to work under Coach Kaley.

The material looks good, but they lack experience. Of course, we'll have to work hard to get into shape.

Dear Diary, October 1, 1946

G. H. S. played its first soccer game tonight and showed plenty of power. We played Mercersburg H. S. in a close battle which ended with a score of 2-2.

Dear Diary, October 25, 1946

Tonight we engaged our biggest rival, St. Thomas, and emerged victorious, 3-1. So far this season we have won 2, tied 1 and lost 3.

Dear Diary, November 8, 1946

G. H. S. brought the curtain down on the not-so-glorious season tonight by losing to Mercersburg Academy 4-1. The season ended with a record of 3 won, 6 lost and 1 tie.

Varsity Basketball

Dear Diary, December 9, 1946

I stopped off at basketball practice tonight. The fellows didn't look half bad, considering the fact we lost our champions of last year. I must not forget that if we win the P.I.A.A. cup again this year, we can have it for keeps. It surely would look well in that case between Rooms 3 and 4.

Dear Diary, January 8, 1947

Well, up to today it seems that the odds are against us. Friday we come up against one of our old rivals, Scotland. Although we havn't much height, there is still some hope for a winning streak in the near future.

Dear Diary, February 14, 1947

At the end of the first half, which was three weeks ago, we were running hand in hand with Mercersburg for the cellar position. Not so good, but there is still hope for the second half.

In the future we will face most of our opponents on our home floor, which will be somewhat to our advantage. Coach Conrad claims we have been drinking from a bitter cup, let us hope that it turns sweeter.

Dear Diary, March 10, 1947

Well, the season is over and G. H. S. is tied up with Lemasters for 2nd place. The second half proved to us that we can be a hard-fighting team if the will is with us. If only that *will* had been with us from the very beginning, we may have had a victorious season. Better luck next time, G. H. S.

Junior Varsity Basketball

Dear Diary, December 3, 1946

Like our varsity team, we are building this squad around a few remaining veterans. It may take us sometime to get going, but we feel we have possibilities for a good season.

Dear Diary, December 12, 1946

We are over our first hurdle. Quincy went down to defeat at our hands, and we are quite happy.

Dear Diary, January 24, 1947

The season is half over, and our average is just 500. We've lost a couple of close ones, and we're hoping for a change of luck.

Dear Diary, February 28, 1947

Tonight we closed our season with another loss. We really didn't do so well this season, so far as scores are concerned. But we did learn plenty about basketball, and what is more important, we had an enjoyable time doing it.

1946 Baseball

Dear Diary, March 25, 1946

I hurried home from school so that I could get out to the playground because today we started baseball practice for the first time.

We had a good workout and should have a good team because we have all letter men back except one. Mr. Conrad, our coach, made us take two laps around the playground which not many of us liked, but we had to get in shape some way.

Dear Diary, April 12, 1946

Today we played our second game. We lost our first game by a score of 6-7 to Hagerstown. That was a hard one to lose, but today we showed what we could do and won over Shippensburg 24-0.

Dear Diary, May 10, 1946

We beat St. Thomas today 3-0 and what a game it was. "Whitey" Barkdoll and "Butch" Miller went to Harrisburg to get examined for the Army. They got back in time to play the last two innings. This was our big test because St. Thomas was supposed to have the best team in the league.

Dear Diary, May 24, 1946

Today we closed our season with a postponed game with Waynesboro. We came out on top by a score of 7-1.

We have won all our league games but one to Mercersburg Academy which was called at the end of five innings because of rain. The score was 2-1. This made Mercersburg and Greencastle tie for first place. They would not have a playoff, and they gave the championship to us. Our record for the whole season, league and non-league games is: 10 won and 2 lost.

Hockey Games - 1947

Dear Diary, October 11, 1946

The G. H. S. girls opened hockey season with a 5-0 loss on the Scotland field.

Dear Diary, October 24, 1946

The Scotland girls were met at the Greencastle hockey field. For a time things looked bright for our team, but S. O. S. again came through with a 2-1 victory.

Dear Diary, November 15, 1946

Today came the one and only victory. The victorious high school team and the stiff joints of the alumnae have remembered that 2-0 score.

Girls' Basketball

Dear Diary, March 1, 1947

In December girls' basketball practice started with Miss Conrad as our coach. We had a schedule of eight games. We racked up a tie with Lemasters on their floor. Our teams showed fine teamwork and sportsmanship.

Varsity Gymnastic Team

March 1, 1947

Dear Diary,

In an effort to learn more about our new varsity sport, the Gym Team, we interviewed the coach, Mr. Kaley. This is, in short, what he told us:

"Greencastle High School Gym Team is the latest addition to our long list of athletics. Being the last to be added does not mean it is the least important.

The Gym Team consists of twelve girls and ten boys. It is the only team that combines the abilities of both boys and girls simultaneously.

At the beginning of the season sixty candidates presented themselves for membership on the team. From this group the members were selected on the basis of accomplishments.

The team is a well balanced combination, presenting a program of drills, tumbling, apparatus work and pyramids.

Being a non-competitive team, its success is hard to measure, but we know that no other team can develop the same degree of coordination, agility, and grace of movement as the Gym Team.

The Christmas Play

Dear Diary, November 18, 1946

Today we had tryouts for the Junior Tri-Hi-Y Christmas Play, "Mimi Lights the Candle." After some very exciting moments Mrs. Lehman picked the cast. It is as follows:

Mrs. Randall ..... Nancy Hess
Granny ..... Treva Mowen
Alice ..... Jeanne Brewbaker
Frances ..... Shirley Ambrose
Mimi ..... Mary Lou Eshleman
Laura ..... Evelyn Shinham
Jenny McBride ..... Shirley Talhelm
Tim McBride ..... Jane Walker
Mary ..... Jean Hull

Dear Diary, November 20, 1946

Since the Seniors occupy the auditorium, we are practicing in the Main Room. So far none of us know our parts completely. We have chosen the Carolers. The prompters are Mary Myers and Geraldine Statler, and announcer is Joanne McBeth.

Dear Diary, December 12, 1946

Today as the Seniors have given up their lease on the auditorium we are able to rehearse there. As we insist on drinking cokes and eating pretzels and other things, all Mrs. Lehman does is to tell us to finish our lunch. We are all having fun over practicing. Only a few more rehearsals!

Dear Diary, December 19, 1946

Today we have the dress rehearsal. Mr. Grove gave the grades permission to come over to see it. Dorothy Swisher is to work the lights and also be a caroler. Mimi forgot the matches and we had to throw them across in front of the window. The grades roared. That was about the only mistake. All the rest of the day we went to our classes with makeup on.

Dear Diary, December 20, 1946

The final moment has arrived. We are all jumpy and are biting our fingernails. What a temptation not to peep through the curtain! It is snowing very fast. That's wonderful! Tim brought down the house with his "Put that in your pipe and smoke it." After the play was over we all sang "Star of the East."

Everyone seemed to enjoy our play and I'm sure we enjoyed presenting it.
